

Tawhero SCHOOL

Mānawatia a Matariki e te whānau! Matariki ahunga nui! (Matariki an abundance of food) Let's celebrate Matariki everyone! A time to remember those who have passed on in the last year, a coming together of whānau and friends to celebrate the Māori new year and also a time to think about prosperous plans for the future.

I hope this pānui finds you well and warm. Winter definitely brings a fever of brisk cool days and a need to keep moving, eat well and enjoy each other inside in order to fight off all the current bugs and viruses. We still have large amounts of tamariki and staff away and it is really key that we look after each other. If for any reason your tamaiti is not coming to school because of transport or lack of food, please do not hesitate to contact us. We are here to support tamariki engage in education and we will do whatever it takes
